

Welcome to the Vision Nicaragua sponsorship program!

Thank you so much for your willingness to sponsor a student! Education is so important for self-confidence and give hope for the future.

You can pay monthly or you can pay annually. There are options for your donations. Electronically, mail a check direct to Vision Nicaragua or you could set up a scheduled payment with your checking account.

We currently do not send reminders as to when your payment is due. As we update and monitor on this we may notify you if we see missed payments. Sometimes it is due to a credit card change, etc. You can help us by putting a reminder in your calendar. We are a 100% volunteer nonprofit so this helps us for you to be part of our team.

 - College students vary. There are various fees depending on the program and institution. Contact Marty for questions on this if you do not know. When sponsoring a college student, we also ask you to consider an additional \$10+ to help cover transportation, making copies, meals, etc. costs.

Please note, that there are times of overlap and we may have to assign a different student if someone has already sponsored a student and they have not yet been marked “sponsored” on the website.

We are delighted to have you as a part of our team. If you have any questions, please feel free to contact Marty.

Thank you!
